**You can be part of the PA NEN Newsletter!**
Here's your chance to be part of PA NEN's quarterly newsletters, “Food for Thought.”
We are searching for new writers who wish to contribute articles that touch on the low income, SNAP-Ed audience and include the following subjects:

- Do you have a nutrition education success story you wish to share?
- Have a topic that would interest professionals in nutrition and health fields?
- Would you like to recap an event?
- Do you have a nutrition event coming up that you wish to promote?

Send a brief summary of your article to [jbartol@phmc.org](mailto:jbartol@phmc.org) by Friday, June 27th. For more details, please contact Julie Davis Bartol. You must be a member of PA NEN to participate.

---

**PA NEN’s Quarterly Board Meeting – July 17, 2014**
You are invited to attend PA NEN’s Board meeting via conference call on **July 17th at 10:00 AM**. By attending this call, you will become more familiar with the Network's tasks, accomplishments and goals.

For more details, please visit our [Board Meeting page](#). If you are interested in attending, please RSVP to [jbartol@phmc.org](mailto:jbartol@phmc.org) by **July 9th**. You must be a PA NEN member to attend.
**SNAC Vegetable of the Month:**
“Eat your vegetables!” Is that a constant battle in your house? Then skip right to the carrot jokes:

Q: What's a vegetables favorite martial art?  
A: Carrotee

Q: How do you make gold soup?  
A: Put 24 carrots in it!

See how fun carrots can be? Most kids (adults too!) like their sweet flavor and satisfying crunch! Roasting enhances their sweetness and helps seniors chew them more easily! Everyone can feast on the different colors too—red, white, orange, and yellow! Learn more about carrots in our Newsletter with practical recipes, handling tips, nutrition information, and much more ([en Español](#)).

Visit our [SNAC website](#) that houses these materials for the huge selection of Pennsylvania vegetables.

Kid President is helping make a hunger-free summer for all! See how he is doing it in this video.

The latest US Department of Agriculture’s Farm to School Census shows that schools, nationwide purchased $386 million worth of local food in 2011-2012! Local Food, Local Places is a new initiative giving direct technical support for rural communities to build strong local food systems and, thus, the economy.

The Robert Wood Johnson Foundation (RWJF) created an infographic emphasizing healthy school meals. They also released data on 10 schools that succeeded under the rules of the Healthy Hunger-Free Kids Act.
**Webinars:**

*NEW*—The fourth meeting of the Dietary Guidelines Advisory Committee (DGAC) will be held over webcast for all to see. It is slated for Thursday, July 17 from 1:15-5:15 PM (ET) and Friday, July 18, 2014 from 8:00 AM-3:45 PM (ET). Beforehand, you will find the agenda and other meeting materials [here](#). Find previous meeting materials, webcast recordings, and meeting summaries at [this website](#).

*NEW*—Though this event has already passed, you can watch [Nationswell Google + Hangout recording with Food Corp](#)—working to add farm to school across the nation. Hangout listeners tweeted their questions under the hashtag, [#NSBigBets](#), so follow the Q/A here!

*NEW*—All Academy of Nutrition and Dietetics members, you can join this webinar, "U.S. Farming 101." It will introduce the foundations of farming, the varieties of farms, the backgrounds of the farmers growing food, and much more. Additionally, it will provide you relevant information for consumers. Join this free webinar on July 29, from 2:00-3:00 PM (ET). [Register today](#)!

*NEW*—This Yale Rudd Center’s podcast, "Innovations in SNAP: Merit Goods and Healthy Incentives,” is a fabulous introduction to all the healthy, successful initiatives that are getting Supplemental Nutrition Assistance Program participants to eat healthier. To listen, click on the title above at [this website](#).

*NEW*—The "Child Nutrition Reauthorization 101: The Basics“ Webinar will be held on June 25, 2014 from 2:00-3:00 PM (EDT). It’s the first in a series of webinars exploring issues and programs involved with the reauthorization next year.

*NEW*—“Community Eligibility: Everything You Want to Know but Were Afraid to Ask,” will be happening on Tuesday, July 8 at 3:00 PM (ET). Community eligibility will help eliminate hunger by allowing high poverty schools to serve free breakfast lunches for all. August 31st is the deadline to apply for the 2014-2015 school year. Answer all your questions about this program during this webinar!

The National Foundation of Celiac’s Disease Awareness will have a free webinar: "Gluten Free for All? Separate Facts from Fiction”. [Join on July 15th at 2:30 PM](#), and [click here to register](#)!

The National Good Food Network will hold a webinar on Thursday, July 17, 2014 from 3:30 to 4:45 PM called, “Byte Sized - Choosing Appropriate Technology to Run Your Good Food Business.” [Register here](#).

The [Malnutrition Center](#) from the Academy of Nutrition and Dietetics keeps resources with free continuing education for registered dietitians, nurses, certified case managers. Just click on the “Free CPE” tab to find them.

“Cooking with the Moms” is a podcast led by two registered dietitians
dubbed, “the Meal Makeover Moms.” They are joined by another dietitian and cookbook writer who outlined diabetes diet ins-and-outs. Listen to the podcast on this website.

Free to the Academy of Nutrition and Dietetics members is a webinar called, “Accountable Care Organizations 101.” Figure out the role and infrastructure of an Accountable Care Organization. Learn about the history of value-based providers and any other Accountable Care Act updates. The webinar will take place at 3:00 PM (ET) on the select dates below. Please register 24 hours in advance or earlier. Email questions to this address, ike.bennion@leavittpartners.com. Click on the following dates to register.

- July 8
- August 12
- September 9

Events:

NEW- Royer’s Flowers is holding a food drive for the Central PA Food Bank. Go to your local store, and offer any donations by June 28th!

NEW- Check out the June calendar of events for Pennsylvania Association for Sustainable Agriculture.

The Boiling Springs Triathlon will be held on August 9th from 7:00 to 11:00 AM with proceeds going to Project SHARE to help feed low income families. The triathlon will consist of a 900 feet swim, 16 mile bike ride, and 3 mile run. For more information, visit this website.

You can’t attend the Society of Nutrition Education and Behavior Conference this year? It’s okay! Use Livestream technology to see the speakers and the slides being shown to the audience. Since these sessions are approved for Continuing Education Credits, you’ll earn credit while viewing. 13 sessions are available for broadcast over June 29-July 1. For pricing information, click here.

Check out Let’s Move! Pennsylvania Conference to be held in State College on September 15, 2014. It will focus on a call to more physical activity, along with healthier food and beverages to reduce childhood obesity. Find out more, and register here.

FNCE October 18-21, 2014: Save the date for this years Food and Nutrition Conference & Expo located in Atlanta, Georgia. Click here for more information regarding the event and speakers.

Mark your calendar for September 23, 2014! It’s time for the 2nd annual Capitol All-Stars Softball Game. Benefits go to Feeding Pennsylvania and Hunger-Free Pennsylvania.
Are you planning to grow fruits or vegetables in your garden this year? If so, consider planting an extra row and donating the harvest to the Central Pennsylvania Food Bank.

On September 9th from 11:30 Am-5:00 PM, Penn State Extension Nutrition Links is holding a conference with the keynote speaker, Barbara Rolls, PhD, author of *The Ultimate Volumetrics Diet*. There will be breakout sessions including Penn State faculty and staff addressing food safety and other pertinent nutrition topics. Conference location is at the Penn Stater Conference Center Hotel in State College, PA. Contact Mary Lou Kiel, or call 814-863-3447 for more information.

**Grants and Opportunities:**

A $35,000 research grant is available through the Academy of Nutrition and Dietetics. If you are a registered dietitian nutritionist and interested in childhood obesity prevention, a one-year grant is available for a research project focusing on lifestyle intervention for kids. The application deadline is July 1. Find out more information [here](#), or email Amy Donatell.

The US Department of Agriculture is accepting proposals from public and private institutions of higher education for a grant to research behavioral economics and its influence on healthier food choices. This research aligns with further USDA funded research from the Cornell Center for Behavioral Economics in Child Nutrition Programs. The focus populations will be those receiving SNAP or WIC funds. The goal is to figure out the factors that would facilitate healthy and cost effective food choices. Applications are due by June 30, 2014. Click [here](#) to read the grant announcement.
